

UV Light Source

Description	Part no.	Comment
Advanced High Power UV Light Source Type 3	930000-003	Inform about analyzer serial number and revision when ordering this part.

IR Light Source

Description	Part no.	Comment
Advanced High Power IR Light Source	930100-001	Inform about analyzer serial number and revision when ordering this part.

Filter Element Set

Description	Part no.	Comment
High Grade 3 Stage Filter Element Set	930070-001	Replacement filter elements for High Grade 3 Stage Air Filter Unit. High Grade 3 Stage Filter Element Set consists of <ul style="list-style-type: none"> • 3 filter elements • 2 O-rings

Air Filters

Description	Part no.	Comment
High Grade 3 Stage Air Filter Unit	930068-001	Max. supply pressure 10barg. Replacement filter elements to be ordered separately: IXA Part no. 930070-001.

Air Hose

Description	Part no.	Comment
Air Hose 1.5 m	930006-015	For connecting compressed air supply from air filter to analyzer.
Air Hose 3.0 m	930006-030	

Fitting and gasket

Description	Part no.	Comment
Fitting and Gasket for Air Filter Unit	930041-001	Adaptor to G1/4" male input connection Air Filter.

Reflector kit

Description	Part no.	Comment
Reflector Kit	930066-001	The kit consists of <ul style="list-style-type: none"> • reflector • gasket

Probe Optic Cleaning Kit

Description	Part no.	Comment
Probe and Optics Cleaning Kit MES 1002	930101-001	The Probe and Optics Cleaning Kit contains, <ul style="list-style-type: none"> everything needed for mechanical cleaning of the Probe and cleaning of the optics. cleaning instruction

Probe Optic Cleaning, Refill kit

Description	Part no.	Comment
Refill Set for Optics Cleaning Kit	930002-001	The refill set for Optics includes, <ul style="list-style-type: none"> cleaning tissue O-rings screws washers gaskets antistick lube optics cleaning liquid data sheets

Local Control Panel kit

Description	Part no.	Comment
Local Control Panel Kit	930046-001	The Local Control Panel kit consists of <ul style="list-style-type: none"> 1 control unit 1 frame 2 mounting brackets 4 screws

Digital signals connector

Description	Part no.	Comment
Digital in/out Connector	930008-001	Pin assignment leaflet included in package.

Connector LAN

Description	Part no.	Comment
Connector LAN, lockable	930073-001	

Power connector

Description	Part no.	Comment
Power connector	930009-001
